Accessing GU Books on a Computer

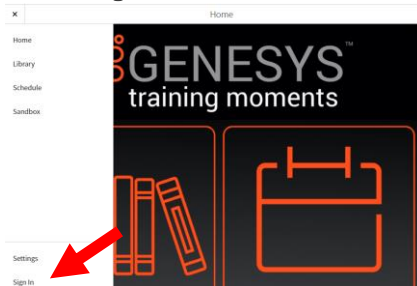

- Go to <https://ebooks-genesys.com> using any of the major web browsers.
- Click on the orange tablet icon and the eBook Viewer will open in a new window/tab.

- Click the drop-down menu in the upper left corner, as shown below.

- Select **Sign-in**.

- Enter your Genesys University credentials. Click **Submit** and choose **Library**.

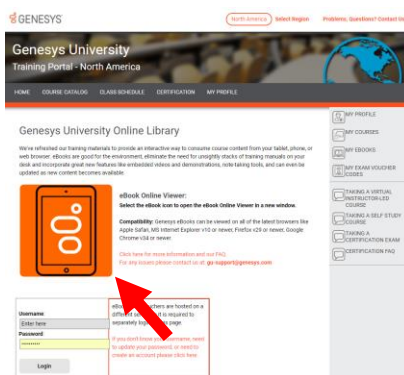

- You should see a list of your available eBooks.

GU Books App - Supported Devices

- Apple iPad/iPhone running iOS 9 or later
- Android Phone/Tablet running 4.4 (KitKat) or later

Installing the GU Books App

On your tablet/phone, go to <http://ebooks-genesys.com/> and click the orange app icon. This downloads the app to your device.

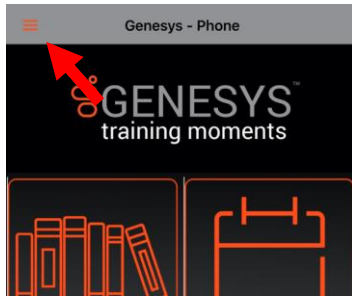

Apple users must **Trust** the app:

- Go to **Settings > General > Device Management** (Go to Settings and search for Device Management).
- Under **ENTERPRISE APP**, click **Genesys Telecommunications Lab...**
- Click **Trust "Genesys Telecommunications Lab..."**
- Click **Trust** on the pop up.

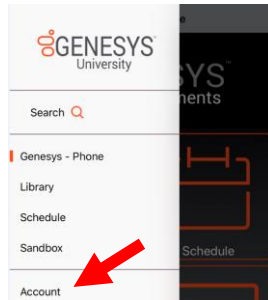

Android Users must download and install **GenesysU.apk**:

- When prompted by **My Files** -
 - *For your security, your phone is not allowed to install unknown apps from this source:*
 - Click **SETTINGS > Allow from this source.**
 - Return to previous screen.
 - Click **INSTALL.**
- **OPEN** the app.

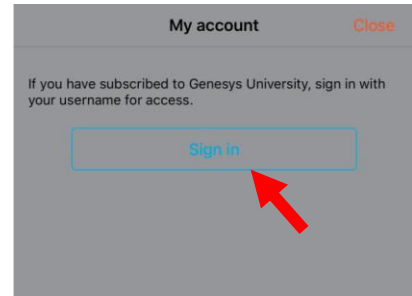

Running the iOS app for the First Time

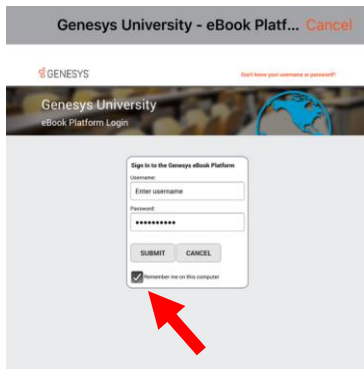

1. Click the three-lined square box at the top left of the screen.

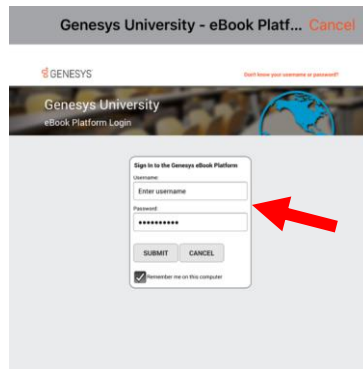

2. From the menu, click **Account**.

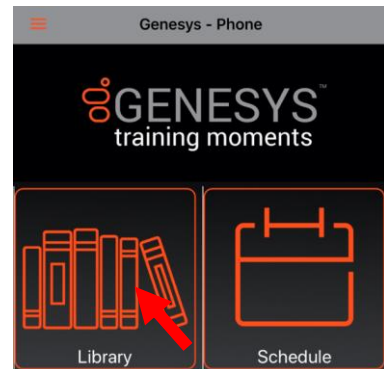

3. Click **Sign-In**.

4. Check the **Remember me on this computer** option.

5. Enter your **username** and **password**. Click **Submit** and **Close**.

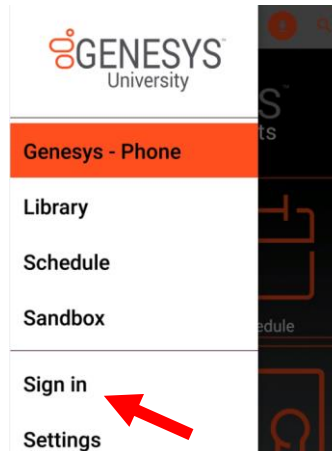

6. Click the **Library** icon to view your eBooks.

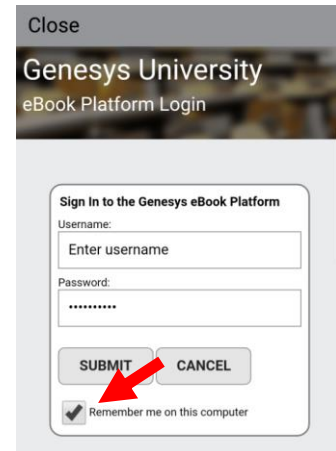

Running the Android app for the First Time

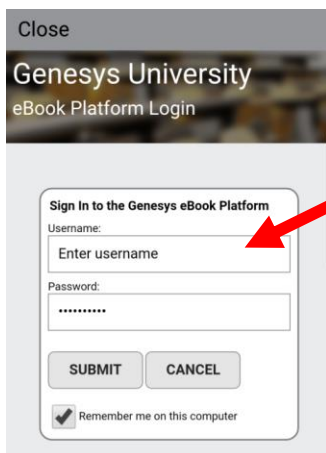

1. Click the three-lined square box at the top left of the screen.

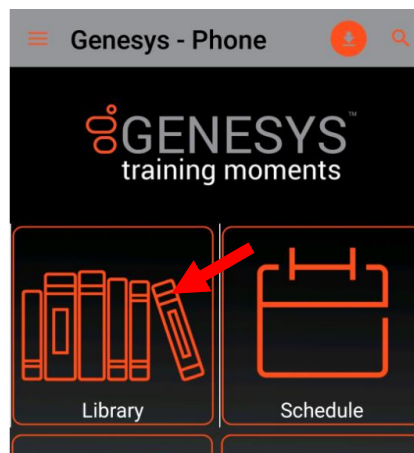

2. From the menu, click **Sign in**.

3. Check the **Remember me on this computer** option.

4. Enter your **username** and **password**. Click **Submit**.

5. Click the **Library** icon to view your eBooks.

Viewing and Downloading eBooks

- Click the **Library** icon.
- Select the required **eBook**.
- Click the **down arrow**  or  at the top right of the screen to download.
- **IMPORTANT:** Before going offline, please make sure you are signed into the app.
